Subject: Condolence and Call for National Security Reinforcement

Your Excellency,

On behalf of SAUTUL HAQQ DA'WAH ORGANIZATION and in my capacity as International Chairman, I extend our heartfelt condolences to you, your government, the bereaved families, and the entire nation on the tragic helicopter crash that claimed the lives of gallant ministers and service personnel. This is indeed a moment of great sorrow, not only for the families but for all peace-loving and patriotic Ghanaians.

We affirm the eternal truth that “Every soul shall taste of death,” as proclaimed in the Glorious Qur’an. However, this divine decree does not absolve us from our responsibility to seek the truth and ensure justice in the face of tragedy. As such, we humbly urge your government to conduct a thorough and transparent investigation into the cause of the crash—not merely as an accident, but as a matter of national interest and integrity.

Your Excellency, this painful incident reminds us of the urgent need to tighten our national security. Ghana has come too far to allow lapses that endanger its brightest minds and public servants. There are elements—both internal and external—who seek the destabilization and downfall of your government. We must remain vigilant.

In this regard, we recommend that individuals with proven track records, such as Commissioner of Police (Retired) Kofi Boakye, who once brought security challenges in Kumasi under remarkable control, be called upon or consulted in strengthening our national security framework.

Your leadership, Mr. President, has exemplified competence, courage, and focus. Within just under a year, your administration has made impactful strides that no government in recent memory has achieved. These achievements are a testament to your vision and the will of your team to transform Ghana.

We stand in solidarity with you, and we pray that Allah (SWT) grants you wisdom, strength, and protection as you continue to steer the affairs of this nation. Let us take this tragedy as a moment to renew our commitment to Ghana’s peace, stability, and progress.

Our condolences to the families of the deceased ministers, the fallen soldiers and the NDC party. May Ghana continue to rise above adversity.

Long Live Ghana!
Long Live Competent Leadership!

Yours sincerely,

Yusuf Jibreel Abubakar (Alhaji Amuda)
